

## Communications and Development Fellow 2017

We seek a talented, energetic and goal-oriented Development and Communications Fellow or volunteer committed to economic sustainable development.

Bethesda Green is an established nonprofit organization whose mission is to accelerate the sustainable economy locally with a focus on innovation, impact, and community.

In collaboration with the Executive Director and other staff, the Development and Communications Fellow will take on different projects for enhancing, developing and implementing compelling fundraising and communications. This is a great opportunity to help grow the organization to its next level!

### ***About the Opportunity:***

### ***About Bethesda Green:***

We are an Incubator, a Connector, and a Community Partner, acting in synergy. As a Community Partner, we engage the local community in the sustainable economy through opportunities that inspire innovation and implementation of green solutions. As a Connector, we foster partnerships focused on testing, piloting, and advancing innovation and impact. Our Be Green Hub incubator, the first of its kind since 2009, accelerates green businesses as viable businesses focused on the triple bottom line. We operate in Bethesda and attract stakeholders from Montgomery County and the DC Metro area.
